

Featured Plan

The Capri

This 1,700 Sqft. Custom Ranch has 3 Bedrooms 2 Baths and a 2 Car Garage. The 3rd Bedroom can be used as a Study. The Kitchen is open to a large Casual Dining Area and to the Family Room, which has a corner fireplace and plenty of windows. The Casual Dining Area has a sliding glass door to access the rear yard or optional patio/deck. The Master Bedroom has a vaulted ceiling, large walk-in closet and a deluxe bath. This custom Ranch has a separate laundry room near the Master Bedroom. A full basement is excellent for added finished space or for storage. This Ranch has a 2 Car front loading Garage.
