Penalties for violating a copyright may be severe. The responsible parties are required to pay actual damages caused by the infringement (which may be substantial), plus any profits made by the infringer commissions to include all profits and from the sale of any home built from an infringing design. The copyright law also allows for the recovery of statutory damages, which may be as high as \$150,000.00 for each infringement. Finally, the infringer may be required to pay legal fees which often exceed the damages.
